AMENDMENT FOR SUBMISSION

Sir: In response to the Notice of Non-Compliant Amendment (37 CFR 1.121) dated June 18, 2010. In reviewing the Items of Non-Compliant I am submitting this revised application. I am including the corrections to the drawings, amendments to the claims, signature page and **REMARKS AND ARGUMENTS** concerning prior art and the weight of the invention as cited in previous granted patents. A **Provisional Patent Application had been filed on 6/22/2000 (Receipt # 60/214545)** and a receipt was received from the USPTO, (Copy enclosed). The Non-Provisional patent application filed 06/26/2001 is a continuation of prior art and claims contained in the Provisional Patent Application. Please refer to ADDENDUM A that is attached to this amended application to define prior art and support for claims amended, new or current. Also contained here are Amendments and Arguments for the **Non-Provisional Application (09/888,554) regarding the Detailed Action** in previous office action notices. In this amendments to the application there are amendments to the claims, drawings, prior art references and arguments sighting prior art and past granted patent applications involving counter product dividers. I am submitting these amendments to the original application of 06/26/2001. Please amend the **Non-Provisional Application (09/888,554)** as follows:

Application No. 09/888,554
